

# SILVANO

## 2016

The wine immediately strikes one's attention through a dense, almost impenetrable, ruby red color. A spiced and balsamic aroma matches the visual impression and is bolstered by undertones of blackberry, plum and white pepper.

The flavor is extremely elegant; prevailing sensations of ripe red fruit and spices define a complex and polished structure. Thanks to the presence of thick and prominent tannins reaped throughout the twelve months of aging in French barriques, the feel to the palate is mellow, rich and sweet. The long intense finish completes the picture: this is an exquisitely elegant and pleasant wine whose slightly green tannins forebode an outstanding aging potential of several years.

*N.B.: The choice of Diam corks guarantees the absence of defects in the wine.*
